Please join us for an interactive CME/CE satellite symposium held at the 20th Annual Scientific Meeting of the Heart Failure Society of America.

Interpreting Therapeutic Advancements and Addressing Clinical Challenges in Heart Failure Management

Saturday, September 17, 2016
3:45 PM – 4:00 PM
Registration
4:00 PM – 6:00 PM
Educational Forum

Gaylord Palms Resort & Convention Center
Room: Osceola C,
Convention Center, Level 2

2.0 CME/CE Credits

This satellite symposium is not part of the scientific program planned by the Heart Failure Society of America Program Committee.

LEARNING OBJECTIVES
At the conclusion of this program, participants should be better able to:

• Analyze mechanisms of action and different clinical attributes of established, newly approved, and investigational therapies for the management of heart failure (HF)

• Individualize chronic HF treatment strategies for patients based on reduced and preserved ejection fraction HF and other patient-related factors

• Reduce hospitalization and readmission by promoting nonpharmacologic and pharmacologic treatment adherence, providing appropriate discharge instructions, and adopting a collaborative team-based approach to patient care

• Employ quality-improvement strategies, such as patient education and engagement, to involve patients in self-management and monitoring of their HF syndrome

PROGRAM DESCRIPTION
The goal of this live satellite symposium, which incorporates an engaging Medically Speaking™ format, is to educate cardiologists and other HF specialists on the appropriate use of current and evolving treatment options for HF, thereby improving their abilities to implement individualized treatment strategies, promote shared decision-making with their patients and, ultimately, improve functional outcomes and enhance patient quality of life.

INTENDED AUDIENCE
Cardiologists and other heart failure specialists

AGENDA

3:45 PM – 4:00 PM
Registration

4:00 PM – 4:10 PM
Welcome and Introductions
State of the State in HF
– Mona Fiuza, PharmD

4:10 PM – 4:25 PM
Therapeutic Approaches for the Management of Chronic HF
Role of Biomarkers in the Management of Chronic HF
– John R. Teerlink, MD

4:25 PM – 4:40 PM
Evaluating the Clinical Evidence of Newly Approved Therapies for HFrEF
– Scott Solomon, MD

4:40 PM – 5:05 PM
Guideline Recommendations and Quality Standards for Patient Education, Self-Care, and Monitoring
Caregiver Support
Role of the Multidisciplinary Care Team
– Mark E. Dunlap, MD

5:05 PM – 5:45 PM
Applying Clinical Knowledge Through Clinical Case Vignettes: Faculty Discussion
– All Faculty

5:45 PM – 6:00 PM
Concluding Remarks and Q&A

Participants with special needs:
If you require any special dietary or Americans with Disabilities Act (ADA) accommodations, please contact Lori Marrese at 1-800-379-6048, ext. 4832.

Registration for the 20th Annual Scientific Meeting and an official name badge are required to attend this symposium.

2 WAYS TO REGISTER:
Online: www.mycme.com/HFmanagement
Phone: 1-888-608-5163

Supported by an educational grant from Novartis Pharmaceuticals Corporation
In collaboration with Accredited sponsor

PROGRAM FACULTY
Mona Fiuza, PharmD, FACC, FHFSA - Moderator
Adjunct Associate Professor
Department of Medicine
Duke University School of Medicine
Arlington, VA

John R. Teerlink, MD, FHFSA, FACC, FAHA, FESC, FRCP (London)
Professor of Medicine
University of California, San Francisco
Director, Heart Failure Program
Director, Clinical Echocardiography
San Francisco VA Medical Center
San Francisco, CA

Scott Solomon, MD
Senior Physician
Director, Noninvasive Cardiac Laboratory
Associate Editor, Circulation
Brigham and Women's Hospital
Professor of Medicine
Harvard Medical School
Boston, MA

Mark E. Dunlap, MD
Director, Heart Failure Section
Heart and Vascular Center
The MetroHealth System
Professor of Medicine, Physiology, and Biophysics
Case Western Reserve University
Cleveland, OH

ACREDITATION STATEMENT
Physicians: The Heart Failure Society of America is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Heart Failure Society of America designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: See final satellite handout for nursing credit statement.
