If this late breaking clinical trial is accepted for a Late Breaking Trial Session, and was submitted and accepted for abstract/poster presentation at the HFSA Annual Scientific Meeting, it needs to be withdrawn from the abstract supplement by July 13, 2018. The abstracts of accepted Late Breaking Clinical Trials are published in a regular issue of the *Journal of Cardiac Failure* after the Annual Scientific Meeting.

ALL SUBMISSIONS MUST INCLUDE AN ABSTRACT

The abstract should include the following: all authors and institutions followed by introduction, hypothesis, methods, results and conclusions. Tables should be included in the body of the abstract. Figures should be attached at the end of the abstract.
